A CAREER THAT WORKS FOR YOU

Licensed Massage Therapists enjoy flexible career options across a wide range of settings, including health centers, private spas, beauty salons, hotels, resorts, fitness centers, and chiropractic clinics. Many graduates go on to build thriving practices of their own.

WHAT YOU'LL LEARN

- Multiple massage techniques with hands-on application
- Human anatomy, kinesiology, and pathology
- Spa service etiquette and professional standards
- Ethics, Florida law, and business development
- High-level client care with a luxury standard of service

Combining expert instruction and professional practice, you'll graduate equipped with the knowledge, technical ability, and confidence to test for the Florida Massage and Bodywork Licensing Examination and enhance lives through the power of touch.
